Who ?

Girl Scouts! You know those girls in green who are running around selling cookies. Right?

Although we don't hear much about Girl Scouts, they're still working in Appomattox with the guidance of their leaders to become responsiful, independent, knowledgable, citizens, concerned about and involved in their own communities and the world around them.

In order to better support a quality Girl Scout program in Appomattox, fathers will contact Girl Scout parents during Girl Scout Week in March for their support. Parents can become Sustaining Members by giving a contribution of $15 or more.

Values do not just happen in Scouting. They are learned from leadership provided by adult volunteers who believe in girls. If you believe in girls, give your support by contributing to the Girl Scouts through Mr. Flint or by giving of your time through Mrs. Alderson.
